

Audience TF state of mind

Tennis is a confrontational and combat sport. But it's also a question of strategy. A quest for balance between strength and control, attack and defense, commitment and detachment.

Product positioning

From Expert to Pro

TF-40 MADE TRENDY
Top players have the best technical & physical TecniLab data. TF-40 racquets are designed to help them **controlling** their natural power. New series for SS22, **TF-40** modernizes with additional **playability** and **outstanding cosmetic**.

Benefit

CONTROL & STABILITY

- **RS Sharp Section**
 - The specific 5 sides section of the T-Fight made squarer for more frame deformation at ball impact.
 - More Stability and Control.
- **Foam inside**
 - Frame fully filled in with foam for vibration absorption and comfort feel.

PLAYABILITY & SPIN

- **16x19 stringing pattern**
 - More playability and Spin
- **Extense B/G**
 - Wider and longer grommets for enhanced string elasticity and more tolerance.

TRENDY PERFORMANCE

- **Cosmetic signature**
 - White base, with Tecnifibre blue & red touch for official Tour codes.
 - Dynamic and modern pattern for trendy and exclusive look.
